EUTAXIA MYRTIFOLIA (cont.)

- Eutaxia myrtifolia* in Azores, **J7**, 244
Euterpe edulis, **P8**, 290; **S.C.C.** (Bull 1864) **P4**, 170; **P5**, 194; **13**, 373
 in Guiana, **22**, 46
 growth in thickness, **38**, 159
 oleracea, **52**, 41
 plumosa, **F.C.C.** (Bull 1885)
 sylvestris, **F.C.C.** (J. Veitch 1870) **3**, xxvi
Eutettix tenella, **37**, 238; **42**, 481; **50**, 291
Euthales macrophylla exhb., **P(1)**, 251
Euthamia graminifolia, **27**, 686
Euthrips citri, **38**, 656
 tritici, **40**, 358
Eutoca, in S. America, **27**, 1202
 viscida, **12**, 407
 Wrangeliana, **3**, viii
Eutrema Wasabi, **28**, 647
 yunnanense, **54**, 57
Eutypella, **27**, 936
 on pear, **29**, xxxiii
 prunastri, **28**, 742; **27**, 691, 692; **28**, 4, 5, 7, clxii, clxiii, clxxxv
 pruni, **27**, 937
Euvanessa antiopa, **37**, 647
Euxoa messoria, **31**, 324
 ochrogaster, **31**, 324
 segetum, **49**, 135
 tessellata, **31**, 324
Euxolus, caterpillars on, **38**, 630
 Evaporation and transpiration, **47**, 211
 effect of vegetation upon, **38**, 398; **40**, 147, 633
 in bogs, **39**, 270
 ravines and forests, **39**, 282
 of fruits, **12**, 532; **49**, 285
 grapes, **47**, 101
Evax breviflora, **43**, 250
 pygmaea, in Malta, **27**, 582
 Evening Primroses, **29**, 446
 in Darjeeling, **J7**, 123
 leaf spot, **27**, 369
 seeds, longevity of buried, **26**, 968
see *Oenothera* sp.
 Evergreen, leaf spots, **29**, 5
 leaves, starch of, **27**, 691
 plants in pots for the winter garden, **12**, 236
 shrubs, for winter and spring bedding, **21**, 67
 Evergreens, absence from Hungarian gardens, **1**, 159
 for winter decoration, **5**, c
 hardiness, **8**, 11, 26, 84-5, 99, 101, 111, 134, 140, 154, 216, 258, 263, 273-4, 278-9, 308, 312; **58**, 438
 in British Guiana, **33**, 9
 winter garden, **J8**, 275
 rate of transpiration, **J6**, 227
 transplanting them, **J1**, 206; **J4**, 41
 without leaves, **29**, 793
 Everlasting Flowers, at Wisley, **52**, 271
 distributed, **P8**, 65
 European, **22**, 191
 in Chocoma, **22**, 466
Evetria buoliana, **42**, 200
